Lockout/Tagout Video Program

Lockout/Tagout is the most effective way to control hazardous energy and is required by law when performing tasks such as the maintenance, repair, and cleaning of any piece of equipment.

Each Lockout/Tagout Kit includes:

- 1 Lockout/tagout video cassette
- 5 Participant guides (including quiz)
- 1 Administrator guide, 5 wall certificates
- 1 Lockout/tagout poster, and
- 1 Health and safety action plan

SUPPORT MATERIALS INCLUDED!

ONLY \$199⁰⁰

Research indicates that the uncontrolled release of hazardous energy causes more than 100 fatalities and 60,000 injuries each year.
