Manual Brush Sweeper

Create a cleaner workplace without not sacrificing productivity - this unit sweeps faster and better than four workers! This time saving push sweeper is great for commercial or industrial use. The Jan-II is made of heavy duty all-steel and the non-slip

drive wheels offer positive traction while maintaining a quiet operation.

Multi-Surface Magnet

The Multi-Surface Magnet comes with 7" wheels and a removable handle for easy storage. Powerful magnets are enclosed in a heavy gauge aluminum shell. The optional rake loosens metal debris from grass or gravel, allowing the

magnet to snap them up. This magnet works well over concrete, grass, gravel, etc.
